CHRISTMAS CHOIR

Key Stage Two children have been invited to audition for our Key Stage Two 'Christmas Choir'.

The choir will be invited to several events in the Christmas build up, singing festive songs to a range of people.

Next week, the children have been invited to sing to a community dementia support group at Bury Town FC.

The children have also been invited to sing at the 'Lights Switch On' in town and at Liberty Lodge Residential Home

MESSAGE FROM MISS BRAMLEY

We have had a great start to the half term, with the children back ready to learn and enjoy. Year Two enjoyed a trip to Skills Escalator Day where they learnt all about careers. Year 6 went on a QR code treasure hunt around school and EYFS have been exploring their environment and the changing seasons.

Next week, on Friday 13th November, it is Children in Need day. In return for a donation, the children can wear spotty or colourful clothes to school. Children on the West Stow visit will still need to wear uniform but can join in with spotty socks, hats, scarves etc.

We have also received a thank you from Lucy Adams House who were very grateful for all the donations received during our Harvest Festival.

Rebel, Rabbits Class

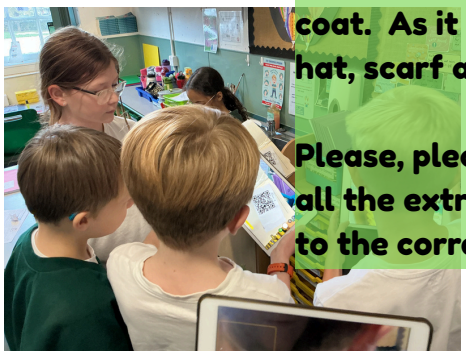

PREPPING FOR WINTER

As I sit here writing this, it is already starting to get dark outside and the children have only just left school. Alongside this, the days are getting chillier.

Please remember to send your child in with a coat. As it gets colder, they will also need a hat, scarf and gloves.

Please, please make sure you put names on all the extra clothing so we can give it back to the correct owner.

Upcoming Dates

Please look carefully as there have been some changes to planned dates.
